

# QUICKSTART GUIDE

## ION TP3 POS Terminal

1

### Connecting the Power

- Locate the accessory pack with the power cable
- locate the power supply box and connect the power supply to the computer
- Connect the power cable to the power supply
- Connect the power cable to the wall outlet

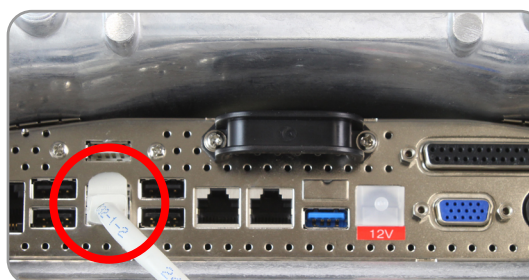

2

### Connecting the LAN Cable

- Locate network cable (not supplied)
- Connect cable to "LAN" port

**WARNING:** Do not connect any other type of cable to the "LAN" port. May cause damage not covered by warranty.

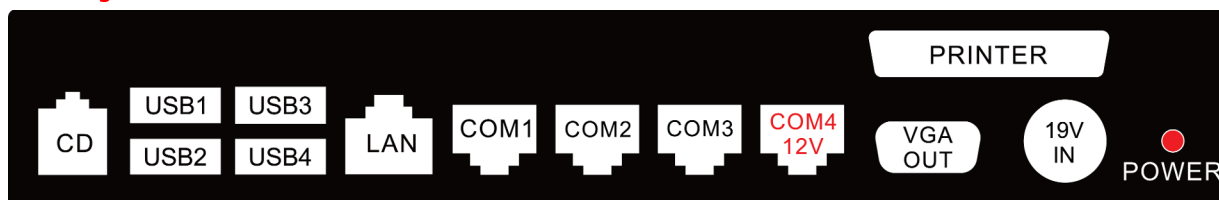

3

### Power On

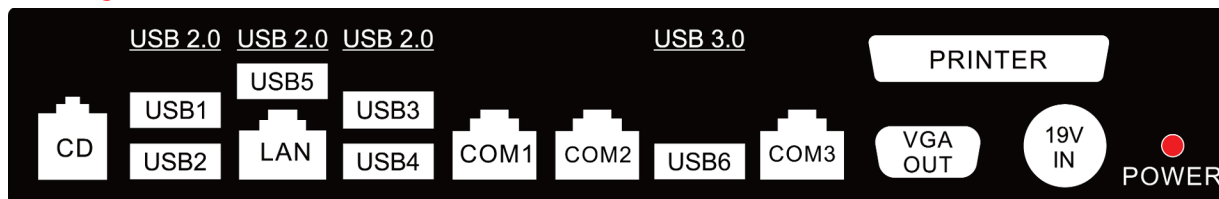

TP3 power button is located on the top right side of the base behind the screen.
